Sir:

In response to the Office Action dated August 12, 2009, Applicants respectfully submit the enclosed Declaration and following Remarks, for overcoming the rejection set forth in the Office Action dated August 12, 2009.

Noting the concurrently filed Request for Continued Examination (RCE) Transmittal, entry of the enclosed Declaration and present Remarks is clearly proper, notwithstanding the Finality of the Office Action dated August 12, 2009. In addition, it is respectfully submitted that the enclosed Declaration, and following Remarks herein, constitute the necessary Submission for the RCE Transmittal.

Thus, attention is respectfully directed to the enclosed Declaration under 37 CFR 1.132 of Y. Mizuno, the first-named inventor in the above-identified application. Herein after, this enclosed Declaration will be referred to as the "Second Declaration".

This enclosed Second Declaration Under 37 CFR 1.132 has been submitted to show, by Additional Experiments, the unexpectedly better results achieved by the
